Important Points:

1. The attached syllabus includes all the topics that will be assessed in the upcoming exams. Please go through it carefully and plan your studies accordingly.
2. Start revising early to avoid last-minute stress. Prioritize important topics and practise previous years' question papers for better preparation.
3. Don't hesitate to ask teachers if you have any doubts.
4. Take short breaks while studying, stay hydrated, and get enough sleep to maintain focus and concentration.
5. Believe in yourself, stay stress-free, and give your best effort in the exams.

All the best!
